# Independent living at Toowoomba Apartments

Toowoomba Apartments offer the perfect balance of independent living and 24-hour support, available whenever you need it. Each apartment is thoughtfully designed to feel like home, providing you with independence, safety, and security to live life to the fullest.

I now have my own independence and freedom; I can do things for myself. Life is so much easier – I can now do my own washing and cook.

— JOSH, TOOWOOMBA SDA CUSTOMER
